Dear Alessandro & Members of the Wanbli Gleska Association

The Rosebud Sioux Tribe President's office confirms receipt of a humanitarian donation of \$5,000.00 to help the Elders of our community before the arrival of the winter season. Your commendable work in spreading the history, culture, and traditions of the Lakota is greatly appreciated by us, and we thank you for all the "pro-bono" work you have done for us in Italy for more than 38 years.

The Sicangu Lakota Nation is very grateful to you and for your continued international work for the Rosebud Sioux Tribe. Furthermore, we wish you many more years of fruitful work for the rights of the Sicangu Lakota and for bringing the correct and traditional knowledge of our nation to your country. Thank you.

Respectfully,

Kathleen Wooden Knife, President
